Johnny Appleseed Day

Dear Parents,

Welcome to a new year! My class is wonderful! We have 19 students, 10 boys and 9 girls. The kids are getting use to the new routine and adjusting well. I think it is going to be a great year! If you ever have any questions or concerns just let me know. Thanks for all you do!

MATH Lesson Plans:

In our Everyday Math series we will be revisiting math concepts continually throughout the year. Here are the ones coming up most frequently.

- Addition and subtraction
- Counting by 2's, 5's, and 10's
- Time
- Money

Language Arts Lesson Plans:

- Comprehension Skills such as summarizing, story structure, realism and fantasy
- Homophones, synonyms
- Multiple meaning words
- Short Vowel words (a,e,i,o,u)

Volunteers Needed

Each week we do Math Tiles on Tuesday from 10:00-10:30. If you're interested in helping out I'd love it! Math Tiles is simple and the kids love it too! You would be interacting with the students and seeing their progress each week. If you can volunteer once a month or every other week that would be great! I'll take what I can get. Please let me know by email or phone. Thanks for all you do!!!
