

Hello everyone! My name is Mrs. Carr. I am very excited to be working at Sunflower Elementary again this year. This will be my thirteenth year in the Andover District and my 23 year as a teacher. I am from Wichita, Kansas and went to Wichita State University where I received my BS in education and my Masters in Curriculum and Instruction. I love to teach and I am thrilled to have such a wonderful class!

I was born and raised in Wichita, but have lived in Andover for nineteen years. My husband Doug and I have three children, Robert, Patrick, and Colleen. Robert is married to Brenda and they reside in Wichita. Patrick is a junior at WSU and Colleen is a senior at ACHS. Our family keeps busy while frequently attending ACHS activities. Go Jags!!
